

What to Bring for Your FIRST DAY

INFANT ROOM

1

Diapers

We request that you bring diapers in bulk for your first day and we will alert you when is time to replenish their supply. It is better to have too many than not enough, so we suggest 8-10 per day.

2

WIPES

Pack a full container initially and bring a refill package and we will follow-up to replenish them as needed when run out.

3

Diapers Rash Cream & Ointment

If you are providing rash cream for your child, you must fill out a medication form provided by Creative World and store the labeled cream in a sealed bag.

4

Clothing

Send your child with 2 or 3 outfits initially, sealed and labeled in a bag. We will send home any soiled clothes to be replaced as needed. Include socks in addition to different weather appropriate clothing. Your child will be spending time both indoors and outdoors, so they'll need to be comfortable all day.

5

Pacifier

If your child uses a pacifier, we recommend keeping 2 at Creative World to ensure there is always one on-hand if your child needs comforting. Please label each pacifier with your child's name or initials with a non-toxic marker.

6

Pre-made Bottles

Each day, pack enough bottles for the time your child will be at Creative World. We recommend placing pre-made bottles; each bottle must be labeled with your baby's name and date. If you are breastfeeding or decide to use formula, you will need to prepare and send each of your child's bottles for the day. We will send home all bottles at the end of the day to wash. Please, fill out a schedule form with your child's teacher.

7

Baby Food and Cereal

Must be labeled with name
